Dear Dr. S. Raja Sabapathy:

Warm greetings on behalf of the Board of Directors of the Colombian Association of Hand Surgery

We are very thankful for the financial support received from the **IFSSH** which was fundamental for the organization of the **II BINATIONAL MEETING OF UPDATING IN HAND AND UPPER LIMB SURGERY**, event held at the Holiday Inn Hotel in the city of Cucuta.

Event held on January 21st and 22nd, 2022, was a real success, The meeting had an excellent academic program with faculties who discussed mainly trauma pathology of bone and soft tissues from all of the different segments of the upper extremity, also the participants presented 10 academic posters and 6 free papers from which we selected a winner on each category.

A total of 70 participants attended, including hand surgeons, plastic surgeons and physiotherapists from Venezuela and Colombia. We have received excellent comments from the attendees, who fulfilled their expectations due to the high academic quality of the event.

Once again, many thanks for your support which allowed us to fulfill our expectations and objectives to complete this event, also extended regards to Belinda Smith Administrative Secretary, IFSSH.
